

18 February 1963

Mr. Pierre Salinger
Press Secretary to the President
White House
Washington 25, D. C.

Dear Mr. Salinger:

Here is a galley proof of Allen W. Dulles' article on intelligence which will appear in HARPER'S, issue of April, 1963. It is an expansion of "The Craft of Intelligence," which the Encyclopaedia Britannica is bringing out in its Great Books. Mr. Dulles said it will be expanded into a hard cover book that HARPER'S will bring out on its Autumn 1963 list.
